25X1 5. [redacted] Mr. Steinberg, in the office of Senator Clifford Case (R., N.J.), asked if we could provide him information on projected U.S. military losses in Vietnam in a variety of circumstances. I told him that this was a matter for the Pentagon, and in response to his question, told him that I was unaware of the Director having ever made a public statement on this subject. This seemed to satisfy Mr. Steinberg.

25X1 6. [redacted] During the day spoke to [redacted] 25X1A
25X1A [redacted] NPIC, and [redacted] Office of Logistics, concerning 25X1A
the referral to DIA from Senator Harry Byrd (D., Va.) of the contract 25X1A

together in anticipation that the Agency eventually will handle
this matter directly with Senator Byrd's office rather than through
DIA.

25X1 7. [redacted] Jim Lowenstein, on the staff of the Senate Foreign Relations Committee, called and asked about the status of our answers to the questions which had been given us by the Committee at the Director's last briefing. [redacted] was merely alerting us to keep our ears to the ground for any indications from the Hill of concern about the Radios.

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 15 July 1970

25X1 1. [] Colonel Nutter, in the Army House Liaison Office, called for assistance in response to an inquiry from a constituent interested in working for the U. S. Government as a mercenary in Cambodia that had been bucked to him from Representative G. William Whitehurst (R., Va.). I told him we had received similar inquiries, which appeared to be prompted by a report in a news magazine a short time ago, and told him how we had handled the matter.

25X1 2. [] Spoke with Mr. Alan Johnson, in the Legislative Reference, Office of Management and Budget, concerning the CIARDS legislative proposals we submitted on 26 June. He was most helpful and said that our proposal had been farmed out for comment.

25X1 3. [] Called Ed Braswell, Chief of Staff, Senate Armed Services Committee, to see if he had any further information on the possibility of our appearing before either the full Armed Services Committee or the CIA Subcommittee. He could add nothing to our previous conversation except to say we definitely would not be called on for tomorrow.

25X1 4. [] As a matter of information, I advised Bill Woodruff, Counsel, Senate Appropriations Committee, of our talks with Ralph Preston, Staff Assistant, House Appropriations Committee, and subsequently with Chairman Mahon, on Agency Reserve matters and Mr. Mahon's agreement with Senator Russell's position. Woodruff said he was glad to hear this since he was quite certain Mr. Mahon would feel this way if he fully focused on the problem.

25X1 14. [redacted] Briefed Bill Woodruff, Counsel, Senate Appropriations Committee, on a number of current intelligence items, and he asked that I pass a message to Colonel White from Senator Russell regarding the use of Agency funds in Indochina. (See Memorandum for the Record for details.)

I also delivered to Woodruff the Director's letter transmitting a copy of his communication to Mr. Mahon on the status of our Contingency Reserve as of 30 June 1970.

25X1 17. [redacted] Met with Edward Braswell, on the staff of the Senate Armed Services Committee, and briefed him on our most recent information on Soviet ICBM sites. Braswell mentioned that he thought Senator Stennis would like to have a briefing of the full Armed Services Committee sometime next week on Soviet weaponry in anticipation of the ABM debate in the Senate. Braswell asked if I thought the Director would object to a briefing of the full Committee. I told him I was fairly certain the Director would have no difficulty in giving the full Committee at least the conclusions, although he might not want to go into much detail regarding sources. I added, however, that a briefing of the full Committee would not satisfy our desire to meet with the CIA Subcommittee.

1. [redacted] Met with Russ Blandford, Chief Counsel, and Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and briefed them on:

- d. New Soviet rocket fuel.

Blandford and Slatinshek repeated Slatinshek's earlier complaints to [redacted] regarding some unclassified material on Soviet weapons development which we prepared for Chairman Rivers. Blandford said this material was too "pallid," was already generally known, and would contribute nothing to River's efforts to alert the American public to the growing Soviet threat. Slatinshek complained that the material included nothing regarding the superior performance of Soviet attack submarines and the capacity of Soviet shipyards. He said the Chairman wanted the language to be "sharpened up" for maximum impact. I said I would be glad to try to see what additional factual material could be declassified, but I thought the Chairman would probably want to put it in his own language. Slatinshek said he would like to have our revisions by Wednesday, 8 July.

25X1 5. [redacted] Met with Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and delivered the unclassified statement on Soviet naval developments promised for Representative Rivers at the Committee briefing on 18 June. After a quick review of the paper, Mr. Slatinshek noted that there was no mention made of the speed of Soviet submarines: the topic that brought about the request for this paper. He also said that on a first quick reading the paper did not have much punch. He told me that in his opinion this paper is the Agency's chance to have matters such as the speed of Soviet submarines related in "phraseology the Agency would approve." In response to question, he said the Chairman does intend to use the paper for a Floor speech and again noted that the Chairman will put punch in the paper. Bruce Clarke has been advised.

I also brought Mr. Slatinshek up to date on the Egyptian air defenses.

25X1 6. [redacted] Delivered to Mr. Ralph Preston, Staff Assistant, House Appropriations Committee, a letter for the Chairman on withdrawal from the reserves and received from Mr. Preston a copy of the Chairman's letter to Chairman Henderson of the Manpower and Civil Service Subcommittee, House Post Office and Civil Service Committee, concerning S. 782.

I briefed Mr. Preston on student unrest at the University of Saigon in response to his earlier question. See Memorandum for the Record.

25X1 7. [redacted] In response to his call, I met with Mr. Scott Cohen, Executive Assistant to Senator Charles H. Percy (R., Ill.), and received from him a sealed envelope addressed to the Director.
